To: Cocking Parish Council <cockingpc@gmail.com>

Dear Greg,

Further to your note with regards to the community facility you mention, which includes if we are successful, the Post Office and Store.

As part of working with the community we would like to have a Parish Council representative on our committee who would not only liaise with you but also bring to the Group experience of working and liaising with Local Government and past successful fundraisers.

Frances Russell has shown an interest and we would welcome her advice and input going forward.

When the time is right we would be very happy to meet with the Parish Council to outline our plans.

Kind regards Peter
