PRESENT: Cllrs Miss F Russell (Chair), D Imlach, Mrs J Jackson, R Jenkins (from Minute 4), R Marks and D Summerfield.

IN ATTENDANCE: G Burt, Clerk to the Council

Dis Cllr G Mcara

3 Members of the public

1. Apologies

Apologies for absence were received from Cllr T Waite due to prior engagements. The apologies were noted and reasons given approved.

2. <u>Declarations of Interest</u>

Members and officers were invited to make any declarations of pecuniary and/or non-pecuniary interests that they may have in relation to items on the agenda and were reminded to make any declarations at any stage during the meeting if it then became apparent that this may be required when a particular item or issue was to be considered.

Mrs J Jackson and Miss F Russell declared interests as shareholders in the Bluebell Community Hub. Cllr Summerfield declared an interest as a member of the Village Hall Committee.

3. Questions from Visitors

A resident gave Cllrs an update on the issue of no high speed broadband to the north of the village. The response obtained from WSCC by the Parish Council had been helpful but had posed even more questions! For example, BT said that the area in question would be unviable, yet it was an area of relatively young families whose children used the internet heavily, plus many were also self-employed home-workers. Residents were collectively making representations, and it was agreed the Parish Council would write further.

4. WSCC Report

No report.

5. CDC Report

Cllr G Mcara reported: his apologies for the last meeting; the *Bersted Man* exhibition at the Novium Museum; that Dunfold House had hopefully been sold to become a Wedding Venue which would offer employment; help for businesses on cyber protection; that CDC's online Christmas promotion for the district had attracted over 700k *hits*; plans to provide electric vehicle charging pints in CDC car parks; grants available.

6. Minutes

The minutes of the meeting of the 2 December 2019, previously circulated were agreed as a correct record and signed by the Chairman, subject to the addition of the following to Minute 3: A resident reported that high-speed broadband was not available in the north of the village, despite being in the main road. The Clerk would seek clarification from WSCC who had funded it.

7. Matters Arising from the Minutes

Bell Lane TRO - still to be actioned.

Water leak in Mill Lane - a start date had been advised to residents.

No reply yet from Hyde-Martlet re. Oak tree at The Croft.

8. Planning

There were no planning applications to consider.

9. Bluebell Inn Community Project – to receive an update if available from the Council's representative.

Cllr Miss F Russell advised that the building was now open had been very popular and were seeking bar staff. Simultaneously the Post Office & Shop opposite had closed due to ill health. The Bluebell had asked both the PO and Cowdray (who own the freehold of the PO) what their plans were for the interim and future. The Bluebell had it in their business plan to host the PO but not in the short term or necessarily a shop. It was agreed that the Parish Council would press the PO to make interim provision in the village. In the meantime, the Council would host a public meeting to ascertain what level of support there was for the continuance of a shop in the village, in order to help other stakeholders hone their own plans.

10. Highways

<u>Village Gateways – to receive an update.</u>
The licence had been received. The gates could now be ordered and the Clerk would chase the quote to install.

c. Village Hall

d. Village Hall Car Park

It was agreed that given that the Council owned the car park, it would place any orders for the work; however, it would appreciate any assistance that the Village Hall Committee could give by way of raising the funds via grants etc.
