

Print name Andrew Cornwell

NAME: Andrew Cornwell

**Please outline why you would like to become a Parish Councillor below:**

I have recently moved to Cocking having completed 30 years' service working in the public sector. As such I have an understanding of how public money and local budgets are managed. I also realise that, at this current time some budgets are very stretched. I feel that I would be able to help the Parish Council with some innovative ideas that would benefit this local community.

Although I am relatively new to this area as a whole I have found it to be a delightful place, in particular the village of Cocking. For this reason, with the time I have available to me, I am very keen to become involved with the community as much as I am able and work towards maintaining the environment here and general health and wellbeing of all who live here.

As such I would be delighted if you would consider my application to become a Parish Councillor for Cocking.
