Mr G C Burt
Parish Clerk
Cocking Parish Council

26th April 2023

Dear Mr Burt

I am writing for your consideration of Grant Aid for our Chichester Advice Centre for the financial year 2023/2024 and would be very grateful if Cocking Parish Council would consider a contribution of £75 towards the core funding costs of Arun and Chichester Citizens Advice.

The rising cost of living has driven the need for our service to dramatically increase. Improving our digital technologies will enable us to deal with the increased demand by directing people that are digitally included to remote services such as webchats, email, video, and self-help services and free our face-to-face services for the most vulnerable within the communities we serve.

So that we can meet this growing need we are appealing to our Town and Parish Councils for their continued support and funding. The support you provide enables us to offer the best possible service we can to our clients.

We do not receive any additional core funding to enable us to develop our digital platforms and therefore plan to use Town and Parish Council contributions towards improving this area of our service.

If you require any additional information or would like a breakdown of the number of clients that are seen in your ward, please contact me.

Yours sincerely

Luca Badioli
Chief Executive Officer
