

NAME: TIM CARTER

Please outline why you would like to become a Parish Councillor below:

I have recently moved in to Cocking with my partner and I have been pursuing opportunities to get involved in village life

I was brought up in a West Sussex village so I have strong views on the importance of maintaining a sense of community and believe I can best serve the village by making my enthusiasm, skills and experience available via the important forum of the parish council.

I am now retired having previously run a business consulting providing project management services to a cross-section of clients. As a consequence, I have developed skills in planning, budgeting and meeting management. I would welcome the opportunity to work ~~as part of~~ the current parish council team.
