

Council Tax Setting 2024/25

(Based on a covering email from Chichester District Council)

The District Council has passed a resolution in accordance with the provisions of the Local Government Finance Act 1992 establishing a Taxbase for the 2024/25 financial year.

The tables below detail the 2024/25 taxbase for your parish. Please note that you should use the last column headed 'adjusted for assumed collection rate of 99%'.

As always, the amount of Council Tax charged for your parish, for a band D property, will be calculated by dividing your precept by your Taxbase.

In the example below the parish has a precept of £25,000 and a Taxbase of 800.

Council Tax charge for band D property = $\text{£}25,000/800 = \text{£}31.25$

Cabinet will formally approve the Council Tax charge for 2024/25 at its meeting on 6 February 2024, the recommendation is then referred to the meeting of Full Council on 27 February 2024.
