BH

Hello Gregory,

Please find attached our Vision radar brochure and below pack contents/pricing.

I have also attached your quotation for x1 Ultra Mobile Pack (battery power).

Please do not hesitate to contact me with any questions.

Kind regards,

Hugo.

- **The EVOLIS SOLAR Pack** - Go green on a budget! The fully autonomous Solar powered Evolis radar is ideal for permanent placement or mobile use! It includes a 80 X 94cm, 100W solar panel and two 12V/22AH batteries, one mounting bar, as well as traffic data collection and all the standard pack features. **Only: ? 2500!**
- **The EVOLIS ULTRA-MOBILE Pack** - Need to move your radar to different locations every week or two? Then this is the product for you! The entirely battery-operated Ultra-Mobile pack with an autonomy of 7 days on average, is ideal for multiple location projects and frequent location rotation! It includes four 12V/22AH batteries, an external battery charger and one mounting bar as well as traffic data collection and all the standard pack features. **Only: ? 2400!** Note: For effortless mobility, we recommend ordering additional mounting-bars to be pre-installed at the designated locations - only ?25 each.

(all pricing is ex.vat+shipping @?89.99/unit.)
